DISCLAIMERS

You expressly agree that use of the Site, the content and materials is at your sole risk. This Site, the content and the materials are provided on an "as-is" and "as available" basis. Innovation Atlas is not responsible for printing or typographical errors.

Neither Innovation Atlas nor any of Innovation Atlas's business partners represent or warrant that this Site will be uninterrupted or error-free, or that defects, if any, will be corrected; while Innovation Atlas and its partners have worked diligently to provide you with sound, accurate and reasonable data, neither Innovation Atlas nor its business partners make any representations or warranties about the accuracy, reliability, currency, quality, performance or suitability of

this Site, data, content or materials available on or through this Site.

To the fullest extent permissible pursuant to applicable law, Innovation Atlas and each of Innovation Atlas's business partners disclaim all warranties of any kind, either express or implied, including, but not limited to, any implied warranties of title, merchantability, fitness for a particular purpose and non-infringement.

LIMITATIONS OF LIABILITY

In the event of any problem with this Site, content or materials you agree that your sole remedy is to cease using this Site.

Under no circumstances shall Innovation Atlas or any of Innovation Atlas's business partners, or any of our or their respective officers, directors, shareholders, employees, agents or representatives, or any other party involved in creating, producing, transmitting or distributing this Site or any part thereof ("covered parties"), be liable for any, punitive, exemplary, consequential, incidental, indirect or special damages arising from or in connection with this Site or any content made available on or through it, whether under a theory of breach of contract, negligence, strict liability or otherwise, even if such party has been advised of the possibility of such damages. In the event that Innovation Atlas is liable for any damages arising in connection with this Site or any Content made available on or through it, the aggregate liability of Innovation Atlas shall not exceed fifty percent (50%) of the amounts actually paid to Innovation Atlas by you for your use of the Site and Content, if any, for the one-month period preceding the first event that gave rise to the claims.

Applicable law may not allow the limitations of liability set forth above, so these limitations of liability may not apply to you.

The limitations of liability set forth in this agreement are independent and shall survive any failure of any remedy (exclusive or otherwise).

INDEMNIFICATION AND WARRANTIES

You agree to defend, indemnify and hold Innovation Atlas harmless from and against any claims, actions, demands, liabilities, losses or damages (including reasonable legal and accounting fees) arising out of or related to your use of this Site or the Content, any violation of these Terms of Use by you, or any violation of any rights of any person or entity by you. CHOICE OF LAW, WAIVER AND CLAIMS

These Terms of Use shall be governed by the laws of the Province of Ontario without regard to its conflict of law provisions. All disputes that may arise between you and Innovation Atlas shall be filed only in provincial or federal court located in Toronto, Ontario and you hereby irrevocably and unconditionally consent and submit to the exclusive jurisdiction of such courts over any suit, action or proceeding arising out of these Terms of Use. Innovation Atlas's failure to exercise or enforce any right or provision of the Terms of Use will not be deemed to be a waiver of such right or provision. If any provision of these Terms of Use is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to modify such provision to give effect to the parties' intentions as reflected in the provision, and the other provisions of these Terms of Use remain in full force and effect. You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the Services must be filed within one (1) year after such claim or cause of action arose or be forever barred.

A printed version of these Terms of Use and of any related notice given in electronic form shall be admissible in judicial or administrative proceedings based upon or relating to these Terms of Use to the same extent and subject to the same conditions as other business documents and records originally generated and maintained in printed form.
